JAN 2020 THE CAROLINA ANTIQUE TACKLE COLLECTORS NEWSLETTER VOL XXIII NO 1

Presidents Letter

Well here we are another year. Hope everyone had a safe and happy holiday. We had a member pass away last year. RIP Joseph "Joe" Thomas Bennett.

We had an Awesome show this fall with special thanks to Gene and Susan McIntyre assisted by Hack and Sharon Hensley and all the volunteers. Joe and Elizabeth Yates have pictures posted at www.carolinaantiquetacklecollectors.com.

I have to stress that's what makes this club so special. It takes a team in order to achieve a good result, and become successful and grow. Everyone's help, and input is greatly appreciated, like Brian Garhart opening his room up to members and their family after the show for food and drinks, and the work on his club tee shirts. Also a big shout out to Joe Wilson for creating a Facebook page CATC Carolina antique tackle collectors. It now has 59 members, and growing. In Joel's words "to serve our CATC members family, and friends. We can sell, trade, get information, or advertise our next show. Most of all its here to stay in touch, and have a way to keep our collecting family close".

If y'all are anything like myself, I love the smell of opening an Old Tackle Box. That's also the way I feel about looking at all the New, and older displays at

shows. So please "DON'T" keep them in your closet.

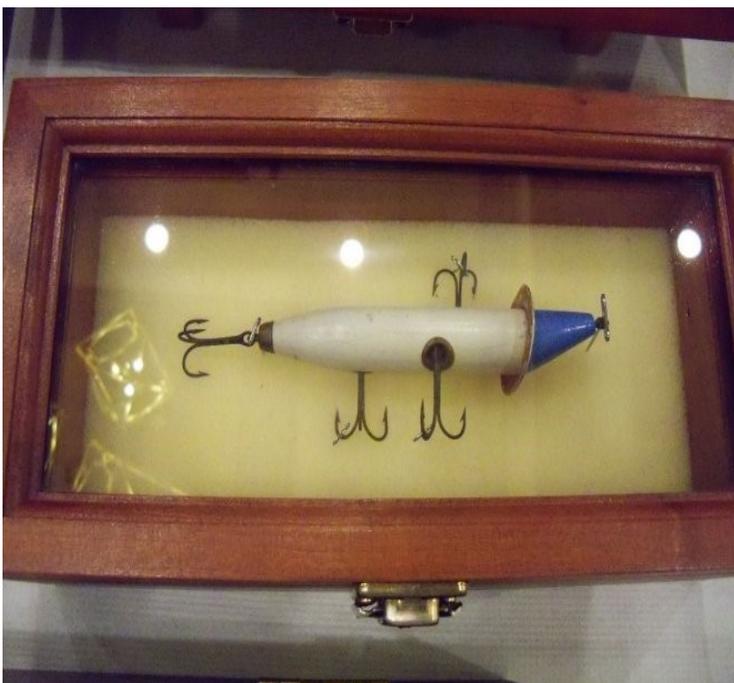

A few members have expressed their opinion on having a show later in spring. This was so it doesn't affect their prime fishing weekends. Maybe this is a conversation for the CATC website on Facebook. As for now, the show is scheduled for April.

Appreciate y'all
